NO 'GATE' FOR THIS GAME.

No Spectators Allowed to See Replayed Cup Tie Match.

LONDON, March 5.—The replayed third-round English cup tie between Bradford City and Norwich City took place yesterday on the ground of the Lincoln City Club at Lincoln, and the former won, 2 to 0.

So as not to clash with the fourth-round tie which are set for decision Saturday, the Football Association had to break its rule forbidding cup ties to be replayed during the week, but refused to allow any spectators to see the game; consequently the tie was played in silence save for the noise of a large crowd which gathered outside the gates of the ground and waited anxiously ninety minutes for the verdict. Such an incident has never been known before in soccer football.

The victory entitled Bradford City to play Everton tomorrow. Two postponed Southern League games were played, Southampton beating Crystal Palace by 2 to 1, and Reading getting the better of Bristol Rovers by 2 to 1, which carries it into second place in the table.

VANDERBILT GIVES CUP.

Donates Gold Trophy for Series of Schooner Races.

BOSTON, March 5.—Officials of the Eastern Yacht Club announced yesterday that Harold S. Vanderbilt, owner of the schooner yacht Vagrant, had offered a gold cup as a prize for a series of races for large schooners around Cape Cod. The competition, as in former years, will be held late in June, the boats starting from either New London or Newport, and finishing at Marblehead.

The owner of the winning yacht will hold the trophy a year and will receive in addition a silver cup. The owner winning three races, not necessarily with the same boat, will obtain permanent possession of the cup.

California Nine to Play in Japan. LOS ANGELES, Cal., March 5.—The University of California baseball team will play a series of games with the teams of Waseda, Keio and Tokyo Universities.

RAILROAD Y. M. C. A. INDOOR MEET AGAIN

Athletic Competitions to Be Held By It Saturday, March 27.

BASKET BALL CONTESTS BETWEEN SCHOOLS TODAY

Western Meets Eastern and Business Plays Army and Navy Preps.

BY H. C. BYRD.

The second annual indoor athletic games of the Terminal Railroad Y. M. C. A. will be held March 27. The affair was staged last spring for the first time, and so successful was it that there was a unanimous decision to make it an annual feature. The events are open only to the members of the association.

Fourteen events will be contested, they being selected to include gymnastic competitions, running and general all-round athletic capabilities. Three jumps will include the hop, step and jump, the standing broad and running broad jump. There will be competitions on the horizontal bars, parallel bars, the horse and buck. The relay events will include a 25-yard dash, quarter-mile and one-mile relay. The relay race is to be contested between teams of four men each. There will be basketball and medicine ball competitions also and an obstacle race.

Prof. C. E. Beckett of the Y. M. C. A. has been obtained to referee. The other officials in charge of the events will be experienced men.

A meeting of those interested in the Terminal Railroad Y. M. C. A. Basketball League is to be held this evening at the Y. M. C. A. rooms in the Lincoln Hotel. Plans for the season are to be made and some very interesting developments are expected.

Two contests are to take place this afternoon in the Scholastic Basketball League. Western High and Eastern High are scheduled to meet on the floor of the Y. M. C. A. gymnasium, the Business and Army and Navy Preps will test each other's powers in the gymnasium of the former.

Western, judged by the form it has been showing, ought not to have much trouble getting away with the lions of the score against Eastern. Red and White has proved itself the most capable quint in the District in schedule races and Eastern, which is a game to one of the others it will be because it is playing below its usual form. The Business team ought to win from the Army and Navy Preps, notwithstanding that it has not been playing up to its standard of late.

One of the closest games of the year was played in the Railroad Y. M. C. A. Basketball League last night, when the Auditors defeated the Trainers by 12 to 9. The contest was about the best exhibition given this season in the railroad organization.

The first of a series of basketball games will be played tomorrow night between the team representing the Knights of Columbus of Richmond and the Columbus Country Club of this city. The local organization will put a strong team on the floor, having scheduled to appear in its line-up a member of the Georgetown University five and one from National University. Notwithstanding that the Richmond five is expected to prove exceptionally capable.

Jim Colliflower, who used to coach at Georgetown, has been and is in charge of the local quint. The contest will begin at 8:15 o'clock.

The team representing the National Guard Athletic Association, which is making an attempt to win the championship of the District by meeting the champions of the various leagues, is to play its second contest tomorrow evening, when it meets the Railroad Y. M. C. A. victor. The National Guard team won from the Infantry quint, champion of the Military League, Thursday evening.

AMATEUR BILLIARD TOURNAMENT.

Mayer and Gardner Winners Over Huston and Milburn.

PHILADELPHIA, March 5.—Joseph Mayer, the local entry in the Class A amateur billiard tournament for the championship of the United States, easily disposed of Edwin Huston of Detroit, in the seventh game of the tournament at the Union League, last night, by the score of 400 to 93. Mayer ran out his string in twenty-six innings.

In the afternoon contest Edward Gardner of New York, who defeated Eugene Milburn of Memphis, by the count of 400 to 219, in thirty-five innings.

WHITE SOX A WINNER.

Eddie Collins Shows Speed in Scoring a Home Run.

LOS ANGELES, Cal., March 5.—The Chicago Americans took the opening game of their exhibition series here from the Los Angeles Coast League team yesterday by good hitting.

Eddie Collins, playing second for the White Sox, made a home run out of good three-bagger in the sixth inning, and Ray Schalk made a perfect average with a triple and three singles in times at bat. Score: R. H. E. White Sox... 7 17 2; Los Angeles... 0 9 0.

Batteries—Jasper, Johnson, Scott and Schalk; Pettit, Love and Jones.

DECLARED FREE AGENT.

"Hank" O'Day Given Unconditional Release by National League.

CHICAGO, March 5.—Henry O'Day, after serving the National League as an umpire for sixteen years, and as a manager for two years, has been declared a free agent. He is considering offers, he said today, from the American and Federal leagues.

O'Day received a letter from John K. Tener, president of the National League, advising him that he was free to sign with any league. He said, however, that he would not consider an offer from the National organization.

The veteran umpire was manager of the Chicago Nationals last season. He was succeeded by Roger Bresnahan.

Injunction Suit Postponed.

KANSAS CITY, Mo., March 5.—Hearing of the injunction suit brought by the Kansas city team of the Federal League, to prevent the taking of the team away from Kansas City, which was set for Friday in Chicago, has been postponed until Monday, according to a telegram received by the club directors last night.

IN THE TRAINING CAMPS.

BOSTON, March 5.—Manager Bill Carrigan of the Red Sox, with the party of rooters, left here yesterday morning for the training camp at Hot Springs, Ark. A number of the players will be picked up en route. The others will go to Hot Springs directly from their homes. Carrigan and his party will reach Hot Springs tomorrow morning.

MACON, Ga., March 5.—The injury to Sherwood Magee is not so serious as was at first believed, and the champion Braves are breathing much easier. While working out Wednesday Magee had a fall, and it was feared that his left arm would have been broken. Examination showed that he escaped with a bruised arm, and will be able to resume practice in a few days.

MARLIN, Tex., March 5.—Rumors are heard here that the Federal League will raid the Giants because the latter club has signed up Pol Perrit and also taken back Rube Marquard. The players, however, say they are satisfied with their contracts with the Giants. McGraw had his men out early yesterday, but the condition of the grounds, due to yesterday's rain, made the work light.

SAN ANTONIO, Tex., March 5.—The sun beamed on the Indians long enough for two hours yesterday. An all-night rain made the ground heavy and koiné bad, but Manager Birmingham would not forego an opportunity to put his men into action, so they jogged out to the ball park from the hotel. Present plans call for two-a-day workouts with today will witness the first real work of the Indians if the weather permits.

JACKSONVILLE, Fla., March 5.—From the moment he arrived here Nap Lajoie has been full of spirit and energy. He has fallen in with the Athletics' scheme of training at their camp here and is setting an example for the younger men.

ST. PETERSBURG, Fla., March 5.—All hands in the Phillies' bivouac are looking forward to next Monday, when the first regular game will be played with the Chicago Cubs here. Without exception the men have reported in good condition, even Eppa Rixey, the tall pitcher, who in years past never reported before late in May.

DAWSON SPRINGS, Ky., March 5.—Babe Adams is the first of the Pittsburgh Pirates to arrive here for preliminary spring training preparatory to the regular work later at Hot Springs, Ark.

HOUSTON, Tex., March 5.—Earl Hamilton, crack southpaw of the St. Louis Browns, has shown activity in playing hand ball at the training camp here that he has recovered fully from the broken bones suffered in an auto smashup last fall. Manager Branch Rickey is a great advocate of hand ball as a conditioner and has encouraged him in his efforts.

HOT WELLS, Tex., March 5.—The St. Louis Cardinals, upon arrival here, are limited at the surrounding of their training camp. On one side is an insane asylum, on another a combination ostrich and alligator farm, on the third an amusement park and on the fourth a golf link.

TAMPA, Fla., March 5.—Roger Bresnahan is setting the pace for his Chicago Cubs team as he begins his training camp here that he has recovered fully from the broken bones suffered in an auto smashup last fall. Manager Branch Rickey is a great advocate of hand ball as a conditioner and has encouraged him in his efforts.

PASO ROBLES, Cal., March 5.—Manager Rowland of the White Sox is doing his utmost to bring Big Ed Walsh's return to the team. He has allowed the veteran to take it easy in practice, thus far. Walsh has been placed in charge of the second team, to manage it on its many little side practice games. But when the team starts for home, Walsh will be with the first squad, which will travel the southern route, so he can get the benefits of the warm weather.

Jim Colliflower, who used to coach at Georgetown, has been and is in charge of the local quint. The contest will begin at 8:15 o'clock.

GOLFERS MEETING HERE ELECT NEW OFFICIALS

J. Ralph Bailey of Wilmington Heads Middle Atlantic Association.

The annual meeting of the Middle Atlantic Golf Association was held last night at the New Willard Hotel, at which the officials for the coming season were elected and dates decided upon for the different tournaments. The following ticket went through without opposition: J. Ralph Bailey of the Wilmington Country Club, president; E. J. Mackie of the Country Club of Virginia, secretary, and Yates Pennington of the Baltimore Country Club, treasurer.

Alpheus Winter of the Columbia Country Club was added to the above named group, making up the executive committee for the coming season.

Two important points were decided upon; the teams hereafter will consist of five players instead of seven, and each match will count as one point instead of scoring by the old system.

While the sanction of the association is needed, it is more than likely that the following schedule will be adopted for the season: Washington Country Club, May 6, 7 and 8; Baltimore Country Club, May 10, 11 and 12; Chevy Chase Club, May 20, 21 and 22; District of Columbia Country Club, May 23, 24 and 25; Middle Atlantic championship, June 17, 18 and 19.

The Maryland Country Club and Norfolk Country Club failed to send delegates, but were represented through proxies.

The delegates present at last night's meeting were: Morven Thompson, Chevy Chase Club; Lee L. Harbo, Columbia Country Club; Thomas J. W. Brown, Bannockburn Golf Club; Warren Corkran, Baltimore Country Club; W. W. Neal, Ellicott Hunt Club; F. J. D. Mackie, Country Club of Virginia, and J. Ralph Bailey, Wilmington Country Club.

Outfielder Joe Burns of the Portland team of the New England League was suspended for six weeks, and as a manager for two years, has been declared a free agent. He is considering offers, he said today, from the American and Federal leagues.

O'Day received a letter from John K. Tener, president of the National League, advising him that he was free to sign with any league. He said, however, that he would not consider an offer from the National organization.

The veteran umpire was manager of the Chicago Nationals last season. He was succeeded by Roger Bresnahan.

Probably for the first time in the history of bowling in Washington two players rolled sets of more than 400 in duckpins last night. Charley Wright, lead-off man for the Gandils in the Arcade circuit, and "Skinny" Carroll, third man for Palace in the National Capital, slashed into the pins for counts of 418 and 404, respectively.

Wright's biggest game was his first, 169 pins being registered by him. He knocked down 130 in his second and then got a count of 129 in his last. While Wright's set was higher than that of Carroll, the latter got a better game than Wright, exceeding the Arcade League man's mark of 169 by one pin. Carroll's scores in his contests were 113, 170 and 121.

Such remarkable scores in one night can be attributed to only one thing—the use of the big balls. It is not probable that marks such as were registered would ever be gotten with the small ones; at any rate, they never were when the five-inch balls were in use.

The Gandils rolled their games against a forfeit by the Imperials. Only three members of the latter team were on hand for the match, and they refused to bowl. Identically, the Gandils broke one Arcade League record and equaled another. The set of 1,725 was the best of the year and the game of 605 was the same as one made earlier in the year. The team scores were 88 in the first contest, 522 in the second and 605 in the last.

Grant Goodman also did some good work for the Gandils, setting counts of 114, 59 and 147. Goodman's total for the set was 320.

The Palace team took two out of three from the Casinos and came within four pins of making a clean sweep. Palace won the last two contests, but dropped the first by 543 to 546. This quint also registered an exceptionally good set, one of 1,685.

Beside the fine work of Carroll, Pop Bailey again was in the limelight for Palace. In the last contest, his scores were 126, 117 and 109. Brandt did the best bowling for the Casinos, having marked 134, 101 and 104 in his contest.

The bureau team defeated the National Laundry quint two games out of three in the Capital City circuit. National Laundry started out by losing the first game, but it failed to come through in the other two contests. The laundrymen won the first game by 507 to 444, the bureau five came right back and took the second and third by scores of 578 to 527 and 508 to 498. Each team's scores gave it a total of more than 1,600. Bureau exceeding that mark by 22 pins and National Laundry by 21 pins.

Liekweg rolled best for Bureau, and Loveless and Lakin starred for National Laundry. Loveless registered the highest set of the match, obtaining counts of 113, 139 and 109, for a total of 361. Loveless' scores gave it a total of 1,685. Lakin's scores were 126, 117 and 109. Brandt did the best bowling for the Casinos, having marked 134, 101 and 104 in his contest.

The Neslines were three-time victors in the Southeast League, winning from the Bohemians. It was the good bowling of James which gave the Neslines the victory. James knocked down 123 pins in his first contest, got 120 in his second and registered 114 in the final string, the total being 357.

The Navy team took three straight games from the Departmental circuit and obtained a set of 1,648 in so doing. The games were won by the Navy men 545, 53 and 547. Land's scores were 245, 53 and 547. Land's scores were not half bad, either, marks of 544, 526 and 528 being registered by it.

McCormick of the winning five and Ferguson of the losing quint were the star individuals of the match. McCormick obtained a total of 395 pins in his three contests, while Ferguson's scores of 113, 139 and 109 gave him a total for the set of 361.

Why Saks Clothes?

Ask the man who wears them—and he'll tell you that he finds the qualities better, for one thing. That the assortments are conspicuously larger, for another. That the price, for the quality, is lowest.

All these are good, strong, persuasive reasons. But there's another—not more important, only less definable. Somehow, we seem to catch the personal idea and get it into our garments. We make them personal Clothes.

Fitting with that made-for-you grace that puts you at your ease in a jiffy.

That's the art of our Clothes-making—the difference that cost doesn't govern.
